FAQ

THE BARKING DOG, LTD.

Daycare

What should I bring?

Please bring any meals or treats they may need during the day. We serve lunch around 11:30am daily.

What can my pet expect from a typical day of play?

We carefully group dogs based on their size, temperament, play style, and alteration status. Each group, with the exception of the little dogs, has a maximum of 12 dogs. Throughout the day, your dog will rotate every 30 minutes between different activities, including time in our beach entrance pool, shaded and misted outdoor yards, and indoor playrooms. Equally important is their indoor rest time, allowing them to recharge and stay healthy for the rest of their fun-filled day.

What happens if I don't pick my pet up before you close?

If you can't pick up your pet before we close, no worries! Your dog will be comfortably boarded with us overnight, and you'll be able to pick them up the next day during our regular business hours. We'll also feed them our house kibble, as long as they are authorized for it and don't have any relevant allergies listed on their profile. Standard boarding charges will apply.

What if I don't want my dog to swim?

If you prefer that your dog does not participate in swim time, simply let the front desk know at drop-off. We'll make the necessary adjustments to ensure your dog enjoys a fun and safe day of play without swimming.
